A second communication.   (Read re LB 22A.) And Enrollment and
Review reports LB 1303 as correctly engrossed, Mr. President,
and that's   all   that   I   have.   (Legislative   Journal
pages 1738-1741.)

SENATOR CUDABACK: Thank you, Mr. Clerk. Mr. Clerk, next agenda
item.

CLERK: Mr. President, LB 1062A, no E & R's.   I do have an
amendment, Senator Wehrbein, AM3505, but I have a note you want
to withdraw that one, Senator.

SENATOR CUDABACK: It is withdrawn.

CLERK: Senator Wehrbein would move to amend with AM3755.
(Legislative Journal pages 1741-1742.)

SENATOR CUDABACK: Senator Wehrbein, you're recognized to open
on your amendment, AM3755, to LB 1062A.

SENATOR WEHRBEIN: Thank you, Mr. Speaker and members. This
amendment is in addition to the one that I just withdraw (sic).
It puts three issues into one amendment on LB 1062. And, before

is not something that I would ever say, but this is that "not
all fiscal analysts are perfect and some are less perfect than
others" amendment. We have three errors in some of the drafting
in our bills for appropriations.   One of them is...it was a
million dollar error made in...in one of the programs. It does
not affect the status.   It's just simply that the number was
wrong in one spot and when it was proofed it was discovered that
it should have been in a different program than another. So it
has no impact on the status. The other ones are in...and I said

totalling $102,252 in Program 177, Health and Human Services,
Regulation and Licensure. These provisions relate to Cash Fund
appropriations which were contained in LB 1021.   The error was
caught too late to get an A bill introduced and advanced. This
amendment also contains the Cash Fund appropriations of $50,000
for the State Treasurer's Office for a Select File amendment in
LB 1062.   The point of these, that are all three corrections,
